

TT7493903TOOL Standard Drop T foam gasket

Adhesive foam gasket for use with our premium range drop-t handles including: 1Ns858CIBM, 1NS858DT, NS4875, NS858BT AND NS858WR. This product is designed to be used as a waterproof seal on our handles when installing them to uneven materials like checker or propeller plate and is most commonly used for tool boxes to provide the best seal possible against water and the elements. This is a I.R.S. product made with TESA® brand gasket tape and is made to specs to fit I.R.S. brand of Premium Stainless Steel Drop-T Handles.
