

SHEET RUBBER

NITRILE RUBBER SHEET

A6

Nitrile is a very good general purpose rubber. This product is a superior product to Neoprene, and resistant to oils and petroleum based fluids. Nitrile is used on workshop benches and in floor protection where fuels and oils are used. Nitrile can be used for making seals and gaskets

PROPERTIES		RESISTANCE	
Colour	Black	UV Rating	Poor
% Of Polymer	NBR 100%	Weathering	Poor
SG (Specific Gravity)	1.5	Tear Resistance	Fair
Tensile Strength (Mpa)	4.0	Oil & Petroleum Products	Excelent
Hardness (Shore A)	65 +/- 5	Acids	Good
Elongation	250%	Solvent Resistance (aliphatic)	Excelent
Temperature Range	-30°c - 100°c	Electrical Resistivity	Fair-Poor

PART NO.	DESCRIPTION	ROLL SIZE	COLOR	TYPE
SRNIT1.5	Nitrile Rubber Sheet	1.5mm x 1200mm x 10m	Black	100% NBR Polymer
SRNIT1.8	Nitrile Rubber Sheet	1.8mm x 1200mm x 10m	Black	100% NBR Polymer
SRNIT3	Nitrile Rubber Sheet	3mm x 1200mm x 10m	Black	100% NBR Polymer
SRNIT4.5	Nitrile Rubber Sheet	4.5mm x 1200mm x 10m	Black	100% NBR Polymer
SRNIT6	Nitrile Rubber Sheet	6mm x 1200mm x 10m	Black	100% NBR Polymer
SRNIT10	Nitrile Rubber Sheet	10mm x 1200mm x 10m	Black	100% NBR Polymer
