

We're Hiring But Why Work for IRS?

IRS Pty Ltd is a family owned business of over 30 years. We didn't get to where we are overnight. Our success areas are many but it's our people who make the difference. All team members treat each other with respect and flexibility, and consider each other as family. Our foundation is built on core values created after team consultation so we all feel the same. We strive for purpose and goal setting in everything we do and our inclusive culture allows everyone to be involved and heard.

Any worthwhile relationships are built on trust, communication, ensuring well-being is valued and future goals. Investing in training, process and growth ensures our people are thriving and succeeding both in and out of the business. We are leaders in employing those from diverse backgrounds including neurodiverse and disability, and have many long term team members - so we must be doing something right!

IRS also puts its money where its mouth is and regularly contributes to many community causes such as food drives, Children's Hospital, Child Safety and sponsorship to sporting teams related to IRS team members. We are an annual supporter of the Special Children's Xmas Party and encourage staff to donate their time to volunteer.

IRS is continually growing and rapidly expanding across Australia, and we have possible opportunities in every state. So if you want to work with people with passion, grit and integrity, you're encouraged to send us your resume, even if your experience doesn't exactly fit the position. If you're the right fit and ready to learn, our in-house training and mentoring gives you the opportunity to grow and gain skills which are not the norm.

Have a look at our website and see what excites you. Don't hesitate - send your resume to careers@indrub.com.au and join the team.
